Dear Parents/Carers

I would like to request your permission for your son to visit Windsor Baptist Church once a week for twelve weeks to complete one hour of volunteering for their Duke of Edinburgh Bronze Award.

He will be helping to clear the church hall after a Mother and Toddler Session with a small group of students from Manor Green School.

He will not be receiving any religious teaching.

Staff and students will travel by school minibus to the Church.

Students will have lunch at the church so please provide a packed lunch and drink. If you usually have a school packed lunch, please advise the class teacher to request one. The church does have a café area and have offered to provide a toasted sandwich if your son would like one. This would be free of charge. If you decide to have that option, please also remember to send in a drink and other snacks since it would be a sandwich only.

Please could you complete the permission list and return to school by Friday 21 April. I will inform you when your son will start his weekly volunteering sessions.

If you have any questions, please email sharon.astle@manorgreenschool.co.uk

Regards
