Dear Parents/Carers

### **SEND Careers Fair at Reading College Thursday 7 April**

I wanted to write and let you know of a fantastic opportunity we have to attend a careers fair that is specifically for local SEND students looking for employment, apprenticeships and supported employment in the future. Working in collaboration with The Careers and Enterprise Company and Reading College.

Students will be supported by Manor Green staff and will be taken to and from school by car or minibus. The visit to Reading College will be 10.30am -1.30pm and the students will receive a free packed lunch and refreshments\* and a goodie bag to take home.

The aim of the visit will enable students to talk with, and listen to local employers and apprenticeship providers. Reading College will also be running tours, so that students can see first-hand the facilities and the types of courses that are up and running from there.

If you have any questions then please do not hesitate to contact me.

Yours faithfully

Sara McKay  
Careers and Enterprise Leader  
Monday-Thursday
