Child class online learning timetable

Explanation and links:

PE Joe wicks- <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

Just dance- There are 100s of just dance videos on YouTube that you can dance along to. Try searching 'just dance kids'. Here are some that the children already do in class: <https://www.youtube.com/watch?v=9pT1jg7UYZ4> and <https://www.youtube.com/watch?v=RYgIVc5Jvjg>

Circle- circle will now be live from class every day, a great chance to catch up with friends.

Literacy (Initial sounds)- This is a pre phonics program that we do live from class every day.

Literacy follow on- Please use this time to consolidate what you have learnt for example finding different objects around the house that make different noises.

Snack and break- As in school take some time for snack and play.

Maths- Maths is live everyday apart from Thursday when a project task will be set.

Maths follow on- Use this time to consolidate what you have learnt in maths, perhaps you could look for different shapes around from home or practice counting objects around you

Bucket- This activity helps children to develop their attention skills, this will be live or pre-recorded.

Let's connect- Let's connect will be live every Tuesday and Thursday and in a bi-lingual activity in English and Urdu.

Get creative- Please use this time to do some drawing, art or construction (Lego etc.)

Dance- Mr Inglis will attempt to teach everyone a new dance each week starting with Greek dancing <https://www.youtube.com/watch?v=n0Vj03u9X00> is the link if you wish to practice prior to the lesson (week 1).

Child class online learning timetable

Story- Story will often be pre-recorded by a familiar face in your class.

Literacy (sight words)- This is an extra literacy session for selected pupils.

Relax, get outside, take a walk- I encourage that all pupils get some time outside each day if possible.
