Manor Green School is a large and highly successful special school educating c300 students aged 2-19, who, due to their complex needs, require significant specialist support to succeed academically and achieve their full potential.

Our students' needs range from requiring additional pastoral and emotional support, through those with moderate and severe learning difficulties to some having profound, multiple learning and complex health problems.

The school's mission statement is to be the Centre of Excellence for students with special educational needs.

We are already a good school and now we wish to be the best!

**Class Teacher  
Main Scale + SEN (London fringe)  
Preferably September 2022 start**

You will teach a group of students and lead a team of support staff in the class, including performance management of the Higher Level Teaching Assistant. You must have UK QTS and SEN teaching experience.

You will be required to offer outstanding teaching to a small class of students. In the main school we group our students in Clusters. A Cluster is a grouping of classes working on the same curriculum equivalent to a key stage.

We also have vacancies in our Link provision. The Link is a child and young person-centred provision which is outcome focused to ensure the continued education of students in a supportive and nurturing environment. It caters for students who, because of exclusion or other reasons, would not receive a suitable full-time education in a mainstream setting.

Teaching includes planning, preparation, delivery, assessment, evaluation and reporting responsibilities. You will work collaboratively with all other school staff in order to create and maintain outstanding opportunities for our students' academic progress, care and therapeutic learning support and promotion of enrichment and life skills development. You will also work closely with the students' families and other professionals.

**Come and join our amazing team! In return we offer a great benefits package and excellent learning and development opportunities.**

**Closing date: Midday Tuesday 24 May 2022, interviews before May half term.**
