

- Do you want to have a voice that influences local services and policy?
- Do you want to meet other parents and work together to make a difference?
- Do you want to be part of a group that listens and amplifies the voices of parent carers?

We are pleased to be able to bring parents of children and young people with Special Educational Needs and Disabilities (SEND) together face to face to discuss setting up a new group for parents living in the Royal Borough of Windsor and Maidenhead.

Join us to develop parent participation and agree what we want to achieve.
