### **EMOTIONAL SUPPORT FOR STUDENTS AT MANOR GREEN SCHOOL**

In order to support the holistic needs of our students, we have a range of Emotional Therapies that are delivered by qualified therapists in the school. These are:

Play Therapy

Art Therapy

Drama Therapy

Music Therapy

Talking Therapy

Reflexology

The above interventions are not time limited; the amount of sessions required will be determined by the therapist delivering the support. Due to limited caseloads, there may be short waiting lists for referred students.

If you feel that your child would benefit from any of the above interventions please discuss with your child's teacher or Warren Griffiths (Head of Wellbeing and Safeguarding)

\*\*Please note, none of the therapists who deliver the above interventions are able to make any formal diagnosis with regards to a student's emotional/mental health – this would need to be done via GP/CAMHS.
