

28 April 2022

Dear Parents/Carers

As part of activities week (week commencing 9 May), we will be doing a selection of South Asian arts. Students will have the opportunity to have some henna style patterns on their hands, using face paints on their hands or arms. Please note we will not be using real henna, and the face paint will be washable. If you prefer your child not to take part, in case of any allergic reactions, please let your class teacher know by completing the form below.

If you have any questions, please do not hesitate to contact myself.

Yours faithfully

Vincenza Tagliarini
Hughes Class Teacher
