Dear Parents/Carers

As a class we are visiting Absolutely Karting in Maidenhead on Friday 3rd May. They are set up as an accessible venue for people with a range of needs and have been very keen to accommodate us. We hope some students might be able to access going around the track in a tandem car with an adult steering, but this requires the wearing of a full motorcycle style helmet. We have planned additional activities for those students who might find this too difficult so we will be looking at some inert cars and exploring their UV lit laser tag/soft play area.

We are looking to leave school at 1000 and be back before 1130 so the students will have their usual lunch arrangements. If they could wear their usual practical clothing that would be helpful.

If you require any further information, please do not hesitate to contact me on Oliver.jones@manorgreenschool.co.uk

Yours faithfully
