Dear Parents/Carers

### Residential Trip to Lambourne End Outdoor Activity Centre

Students in Year 6 have the opportunity to attend a residential trip at Lambourne End Outdoor Activities Centre in Lambourne next May. The students will be working towards a scheme of work to build and develop the independent skills required to manage themselves for 2 days and 1 night away from their parents/carers.

Students will participate in a range of activities which may include climbing, archery, farming, gardening and independent life skills. Students will engage in a variety of team building and social activities to promote their communication skills in a range of contexts. They will sleep in dormitories with up to 7 students per room. Food and drinks will be provided. Appropriate ratios of school staff will travel with the students; all on site activities will be staffed by fully trained staff employed by the Activity Centre. MGS staff will be with students at all times and will be on duty during the nights to support any students who may feel homesick.

All of the above will be included in the costs below, which we will be asking for a voluntary contribution towards. The payment options are available to those who wish to spread the cost over the year.

Date: Depart – Monday 9<sup>th</sup> May 2022

Return – Tuesday 10<sup>th</sup> May in time for usual transport home.

Cost: £61.45 per student which can be paid in full or in instalments.
