Ideally January 2026 start

Are you ready to be part of something new and impactful? - We have an exciting opportunity in our new Therapies Hub.

This is a rare opportunity to use your expertise to make a real difference in a SEND Trust, to be part of a growing service from inception whilst enhancing your own professional development.

At Ascendancy Partnership Trust, our mission is to provide the best possible education and therapeutic support for children and young people with additional complex needs both in special and mainstream schools.

As a newly developing therapies hub, we aim to provide high-quality, student-centred therapeutic services that are seamlessly integrated into everyday school life and curriculum.

As our Lead Speech and Language Therapist, you will work alongside senior leaders and teachers with expertise in learning difficulties, autism and SEMH to create an optimum learning environment in a specialist education Trust. You will use your skills to lead and implement the development of the SLT service across the Trust.

Reporting to the Head of the Therapy Hub, you will operationally plan and deliver the Speech and Language Therapy service, providing support to our teaching staff as well as lead on providing clinical supervision for assistants and therapists across the trust as our team expands.

Along with your degree level professional qualification and HCPC registration, you will use your leadership experience to work collaboratively to help deliver integrated therapeutic support in Trust schools as part of an outstanding joined-up service.

**This is not just another SLT job; it's your chance to shape the future:
New Hub. New Role. Big Impact!**
