Dear Parents/Carers

As a class we are going to visit Wessex Way Shops on Thursday 7th April as part of our Topic this term. The students will be finding and purchasing a chocolate bar of their choice to support making decisions and developing life skills. We will be leaving at 13.30pm and returning at 2.45pm so will be able to return home on their normal transport.

We are hoping to visit the nearby park too, however this will be weather dependent.

We will not require any money for the purchase of confectionary as it will be provided by the school.

If you require any further information, please don't hesitate to contact me on

Yours Faithfully
