Autumn Term 2022

Dear Head Teacher, Manor Green School

Confirmation Letter of planned school immunisation sessions for the Spring and Summer term 2022/23.

Following our confirmation letter that was sent to you last term, we have had to make some changes to the programmes we will be offering at these sessions. Due to this we may have had to make some changes to your session date. The table below shows our updated schedule. If your dates have changed, please disregard any previous dates that have been sent to you for these visits.

Date of session	Name of vaccination programme	Cohort to be offered vaccination
18 January 2023	Tetanus, Diphtheria and Polio Booster Meningitis ACWY	Year 9 students
18 January 2023	MMR Catch Up	Year 9 students missing one or more doses of MMR (targeted list will be provided by the Immunisation team)
N/A	Catch Up Session	Any Outstanding Year Groups
25 April 2023	HPV Vaccine dose 1	Year 8 students
25 April 2023	HPV Vaccine dose 2	Year 9 students
19 June 2023	Catch Up Session	Any Outstanding Year Groups

A letter will be sent out nearer to each session date which will include further information regarding the vaccinations being offered and the e-consent link.

We apologise for any inconvenience caused.

Kind regards

School-aged Immunisation Team
