

# **National Growing Week for Wellbeing**

***Fundraising Day on Friday, 6th June 2025***

***Please join us and celebrate by taking part in non-school uniform day with a £1.00 donation.***

***This campaign encourages our students to connect with nature, build confidence, reduce stress and to learn valuable skills while boosting their mood.***

***We would encourage students to wear 'Spring colours or floral patterns in the spirit of nature'.***

***Funds raised will go towards purchasing essentials e.g. seeds and small gardening tools for our Horticulture Department.***
