Headteacher Update

Dear Parents/Carers

Happy New Year and Welcome Back!!

I hope that you had a fun and restful holiday, and it is lovely to see our students return to us. We are settling back into our usual routines this week despite the snow and ice.

I would like to take this opportunity to remind you that we are still in cold and flu season and if your child has a high fever/sickness or is generally unwell then please ensure that your child is kept at home and not sent into school.

Year 9 have their Tetanus/Diphtheria/ Polio booster and MMR catch up vaccinations on Monday 12 January.

Hum Jolly will take place on Tuesday 13 January in the school café.

This week's newsletter has lots of community news, days out, information on music and ADHD workshops, so please take your time to read through as I am sure there is something for everyone.

Thank you for your continued support and I wish you a wonderful weekend.

Warm regards

Helen Hannam

Arbor Management Information System App

We use Arbor to communicate with parents.

Please contact Nicola Camano at

data@manorgreenschool.co.uk If you are experiencing problems with logging in

We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to [check the email address](#) linked to your account.
2. [Reset your password](#) from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the [password link will have expired](#). Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. [Enter the birthday](#) of one of your children to log in.
6. Only relatives who are [Primary Guardians](#) of a child can access the Arbor App. Ask us to check you can access Arbor.
