

Headteacher Update

Dear Parents/Carers

I hope that you have had a great week so far, I would like to wish you all a happy half term holiday.

Jacob and Sharon Astle attended Buckingham Palace yesterday for the DofE Gold Award celebration. Jacob was selected to meet Prince Edward where he shared his journey of his Bronze, Silver and Gold expeditions. He talked about the resilience he has developed and how he has pushed himself to break down his the barriers he felt he faced. He expressed how he now knows that can face challenges and push himself to be the best version of himself.

Jacob is a shining example of how determination, commitment and responsibility empower personal Development. Well done Jacob! What an amazing achievement.

Exciting New Fundraising Project at Manor Green School!

Esports

The aim of this project is to create an inclusive Esports space where all students can feel confident, connected, and successful.

We have the students, the space, and the vision to bring Esports to our school — now we need your support to make it a reality.

For many of our students, Esports offers a unique opportunity to take part in an activity where they can truly thrive, build friendships, and feel part of a team. This project is not just about gaming — it is about creating opportunities, building confidence, and giving every student a place to belong.

We are raising funds to purchase the IT equipment needed for this exciting new project, which will provide our students with access to a fun, inclusive, and engaging activity that promotes teamwork, confidence, communication, and digital skills.

This project can only happen with the support of our wonderful families, friends, and wider community. Every donation, no matter how big or small, will make a real difference and help us create an amazing new opportunity for our students.

We sincerely appreciate all your support and generosity. Thank you for supporting us make this vision possible.

Voluntary Parental Contributions

Dear Parents/Carers

Voluntary Parental Contributions

As you will be aware, all schools are struggling with the present levels of funding and the pressure of increasing costs coupled with high inflation is having a significant impact on school budgets. This means the school has had to absorb cost increases by generating savings which has a significant impact on the running of the school.

In light of the funding issues, we are working on generating income in as many areas as possible and one of these is to request voluntary parental contributions to help pay for enrichment resources and activities, for example: cookery ingredients. We would, however, continue to ask for separate voluntary contributions towards expensive enrichment offsite visits. This money will be vital in protecting the education we deliver, as it will protect subject budgets so that lessons have sufficient resources to meet the needs of our students.

For each family, the school is asking for a voluntary annual donation of £120. This can be paid either as a one-off annual payment or through regular instalments, e.g. £10 per month or a weekly payment, etc. to suit you, via Arbor, our online payment system.

You can contact a member of the finance team if you do not have access to Arbor to set up an account.

However, this is only a suggestion, and should you feel able to donate more, then you would not be limited to this amount, and equally, we will be grateful for whatever help you are able to give if £120 is too much for your budget.

Instructions for Arbor: Please log onto the Arbor app, then select 'School Shop'. There are two products for the voluntary donations: **NOW ACCESSIBLE TO USE ON ARBOR**

£10-£110 Increase the quantity to choose the quantity you wish to donate. i.e. to donate £20 change the quantity to 2, to donate £100 change the quantity to 10.

£120 Select 1 to donate £120.

We would also ask if you, as parents, could investigate whether your employer has funds available to support schools and would be grateful for any information in relation to this. Our priority is the education of the children, and, with your help, we will continue to maintain our high standards.

Yours sincerely

Helen Hannam, Headteacher

Arbor Management Information System App

We use Arbor to communicate with parents.

Please contact Nicola Camano at

data@manorgreenschool.co.uk If you are experiencing problems with logging in

Arbor We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; IOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click "install" on Android or "Get" on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.

The screenshot shows the login page for 'The Sunnyville School of Magic' and a mobile app interface for 'Holly Cook' showing notices, statistics (80.1% attendance), and activities.

Coffee Morning — Event —

Making Sense of Neurodiversity

 Friday 5 June 2026 |  11:30am – 1:00pm

 Wellness Suite, The Odney Club
Odney Lane, Maidenhead, Berkshire, SL6 9SR

Guest Speaker: Masie Cass

Founder of Diversity Does
ADHD Speaker & Neurodiversity Consultant

Join us for a relaxed and welcoming morning of **coffee, connection, and conversation.**

This insightful session will explore ADHD and autism through a compassionate, real-life lens—helping you better understand experiences beyond labels and build greater clarity & confidence.

Open to individuals, families, and those in local schools, whether already part of our clinic community or joining us for the first time.

If you would like to attend, please RSVP to admin@thecroftclinic.com, along with any dietary requirements.

This online training session is suitable for both parents and professionals who are supporting children with ADHD. Many of the interventions are also useful with other forms of neurodivergence.

Welcome to FACE online training, accredited by the CPD Standards Office. On successful completion of this training you will receive a recognised CPD certificate that can be added to your training portfolio.

Are you caring for, or working with, a child with ADHD? Parents, teachers, school staff, social workers, family support workers and more, are facing an increase of children being diagnosed as ADHD. Are you looking for more information on this condition? With a multitude of pages of information available online, but no-one to speak to, separating the fact from the fiction, can be a daunting task.

Whether you are a professional or a parent, supporting a child with ADHD is challenging.

This training session will enhance your understanding of the condition and raise your confidence in applying effective support. Specific sections for teachers on behavioural management in the classroom.

This training aims to:

- Define ADHD as a developmental disorder
- Describe the signs and symptoms of ADHD
- Show which areas of the brain are affected
- Introduce a range of supportive interventions for parents
- Introduce a range of supportive interventions for the classroom

By the end of the training you will be able to:

- Identify possible traits of ADHD
- Understand how ADHD impacts on the mind and body
- Apply a range of interventions to support a child with ADHD

If you would like to attend the training, please use

Go to www.attentionautism.co.uk to book. It is going to fill up fast.

In this series of three 1 hour workshops, we will cover all 4 stages of the Attention Autism Programme, discuss the ideas behind it and use real-life examples to show exactly how and why it works.

You and your child will learn how to connect, get focused attention, keep it, share it and use it to develop communication and have some fun with your child. After the training you will:

- Understand the ideas that drive the Attention autism programme
- Get connected so interaction is shared and enjoyable
- Know how to engage your child's attention, keep it and share it
- Build understanding and confidence in getting the message across
- Know how to move forward to spontaneous expression for your child, however that might look for them
- Access individual sessions for your unique child
- Create activities that are worth communicating about and inspire your child to learn
- Create sessions that everyone enjoys and remembers

Each family will also have three 30-minute zoom coaching sessions with Anna Burke (parent) to help them implement the programme in their home.
