

Headteachers Update

Dear Parents/Carers

I hope that you have had a great week and it has been lovely to have our students back with us after our closures last week. The weather is set to be back up into higher temperatures next week, we are not looking at the moment to close, however we strongly encourage you to keep your child at home, this will be an authorised absence. If you would like them to attend then, we are suggesting you collect them at 13.00, before the hottest part of the day and when our classrooms become too hot.

Heatstroke is a life-threatening medical emergency. If you suspect your child has heatstroke, **call 999 immediately**. While waiting for an ambulance, quickly move them to the shade, remove excess clothing, and actively cool them by sponging with cool water or wrapping them in a cool, damp sheet

Symptoms of heat exhaustion and heatstroke

Key Warning Signs of Heatstroke

- **Extremely high body temperature** (often above 40°C / 104°F).
 - **Hot, flushed, and dry skin** (they may stop sweating entirely, and redness can be harder to see on brown or black skin).
 - **Confusion, lack of coordination, or unusual restlessness.**
 - **Rapid breathing or a very fast heartbeat.**
- Seizures, fits, or loss of consciousness.**

Excellence Everywhere - Thank You Tan class

Exciting New Fundraising Project at Manor Green School!

Esports

We are raising funds to purchase the IT equipment needed for this exciting new project, which will provide our students with access to a fun, inclusive, and engaging activity that promotes teamwork, confidence, communication, and digital skills. .

<https://www.crowdfunder.co.uk/p/esports-equipment/donate/20>

The aim of this project is to create an inclusive Esports space where all students can feel confident, connected, and successful.

We have the students, the space, and the vision to bring Esports to our school — now we need your support to make it a reality.

For many of our students, Esports offers a unique opportunity to take part in an activity where they can truly thrive, build friendships, and feel part of a team. This project is not just about gaming — it is about creating opportunities, building confidence, and giving every student a place to belong.

This project can only happen with the support of our wonderful families, friends, and wider community. Every donation, no matter how big or small, will make a real difference and help us create an amazing new opportunity for our students.

We sincerely appreciate all your support and generosity.

Thank you for supporting us and making this vision possible.

Arbor Management Information System App

We use Arbor to communicate with parents.

Please contact Nicola Camano at

data@manorgreenschool.co.uk If you are experiencing problems with logging in

We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
