1. No student vehicles (unless pre-agreed) will be allowed on site in the morning until 08:50 (This will allow all our staff to access the site beforehand and be ready outside to collect the students at 08:55).
2. If vehicles are entering the site from the bridge entrance and the drive is full, Site Staff will direct you to drive on down Cannon Lane and come back towards the school from the other direction.
3. When exiting the site, turn left at the bottom of the drive.
4. For collection, no student vehicles will be allowed on site until 14:45 (unless pre-agreed or LINK vehicles).
