Coffee Morning Integrated Therapies Revised Model of Service

NHS Frimley is developing a new model of service for Children and Young People's Integrated Therapies (CYPIT). Integrated Therapies includes occupational therapy, physiotherapy and speech and language therapy. NHS Frimley and SEND Voices RBWM are working together to ensure that parent carers have a voice in shaping SEND services and that parent carers are part of the solution. We are inviting parent carers to join us for an update on the progress of this work and to hear the feedback that has been received that will be used to inform the service specification.

Please join us on:

Tuesday 30th April

9.30am soft start for 10am - 11.30am

with Pauline Peters, Senior Transformation Lead, NHS Frimley
& Katie Worley, Associate Director for SEND, Achieving for Children
