

12 January 2023

Dear Parents/Carers

Oxford students are taking part in a First Aid course as part of their Asdan accreditation. This is a recognised course that will gain a qualification for the students.

The school are covering the cost of the course and the certificate. There is also an optional booklet which includes all the details about the techniques they are learning and being assessed on during the course. This can be purchased at a cost of £2.20 and can be kept by them as a guide and reference for First Aid treatment in the future.

Please complete the slip and return to the school office enclosing £2.20 in a named envelope by 20 January if you wish to purchase a booklet.

Yours faithfully

Suzanne Wrigglesworth
Milligan Senior HLTA/People handling trainer.
