Hello! Stage Right Adults and Juniors will resume at QEII School in Horsham on Tuesday 20th September 2021. The sessions will be for Junior aged students 8-16 and Adults 16 onwards. The aim is to increase the student's confidence and develop their performing arts skills through singing, dancing, dancing and drama. Each year we work towards a live performance of either a show case of what we have been working on, or a musical. Students who need additional support will need to be supported by their PA's during the sessions. If you have any further questions please contact Rosie Gilbert:
