

13th December 2022

Dear Parents/Carers

Following on from the letter sent out at the beginning of November regarding the Try a Train project, the students have now completed the workshops, and the train trips will commence in January. You will be informed before your student participates in this trip.

Working together with Optalis, a company who specialize in supported employment, students are going to be going out in small groups (with staff accompanying them). We will make our way to Maidenhead train station by minibus and/or car where a member of staff from Optalis will go through some pre-boarding information with the students. We will then take the train to Marlow, have a drink, and then make our return journey by train from Marlow to Maidenhead. The entire trip will last just under 3 hours and there is no cost for this trip as it is being funded by Optalis, however if the students wish to purchase additional food or drinks, they may bring money with them to do this. The students may wear their own clothes for this trip.

Please could you provide your student with a packed lunch or alternatively please let me know if you would like to order one from the school.

Please do not hesitate to contact me at Tanya.Kirby@manorgreenschool.co.uk should you require any further information.

Yours faithfully

Tanya Kirby
