

Consultation on RBWM's special educational needs and disabilities (SEND) five year strategy

www.rbwm.gov.uk

Please join us to consult on the new SEND strategy

Parents and carers are invited to attend a public meeting at which a senior manager from Achieving for Children's Education and Inclusion services will explain new proposals for the special educational needs and disabilities (SEND) services.

We will be asking for views on our proposals from children, young people and families who use SEND services. We will work with our key stakeholders in schools, settings, providers and other professional bodies to identify the best way to consult with families of children and young people.

Please book a place by using the appropriate link.

Let us know before the meeting if you have any special requirements, for example an interpreter, a hearing loop or large print materials.
