

The RBWM *Learning Disability Partnership Board* have set up a **Parent / Carer Support Group, for those caring for adults with a learning disability in Windsor & Maidenhead.**

The group provides friendship and support in a safe space, where individual experiences can be shared and supported.

What parent/carers say about our group:

"The group is a great way of engaging with other parents/carers with the same issues/ dilemmas."

"The group has also provided great support and service by inviting different professionals to give more insight into the ways things work and how social care is affected by reduced amount of government funding."

If this is something you or someone you know would like to join, then please contact, **Caroline Waites from The Advocacy People**, Contact details: Caroline.waites@theadvocacypeople.org.uk

Our group meet once a month on a Wednesday via Zoom between 12:30pm and 1:30pm. Our next meeting will be on **Wednesday 7th December.**

We hope you will be able to join us.
